Subject: RE: Ice Behind Target

Good morning Terri,

The inspection of 2950 S Chase Av along S Austin St has been completed today. The property was found to be in compliance with the ordinance by placing salt on the ice along S Austin St. The ice has diminished quite a bit and what remains will continue to break up with the salt, warmer temperatures, and the warmth of the sun.

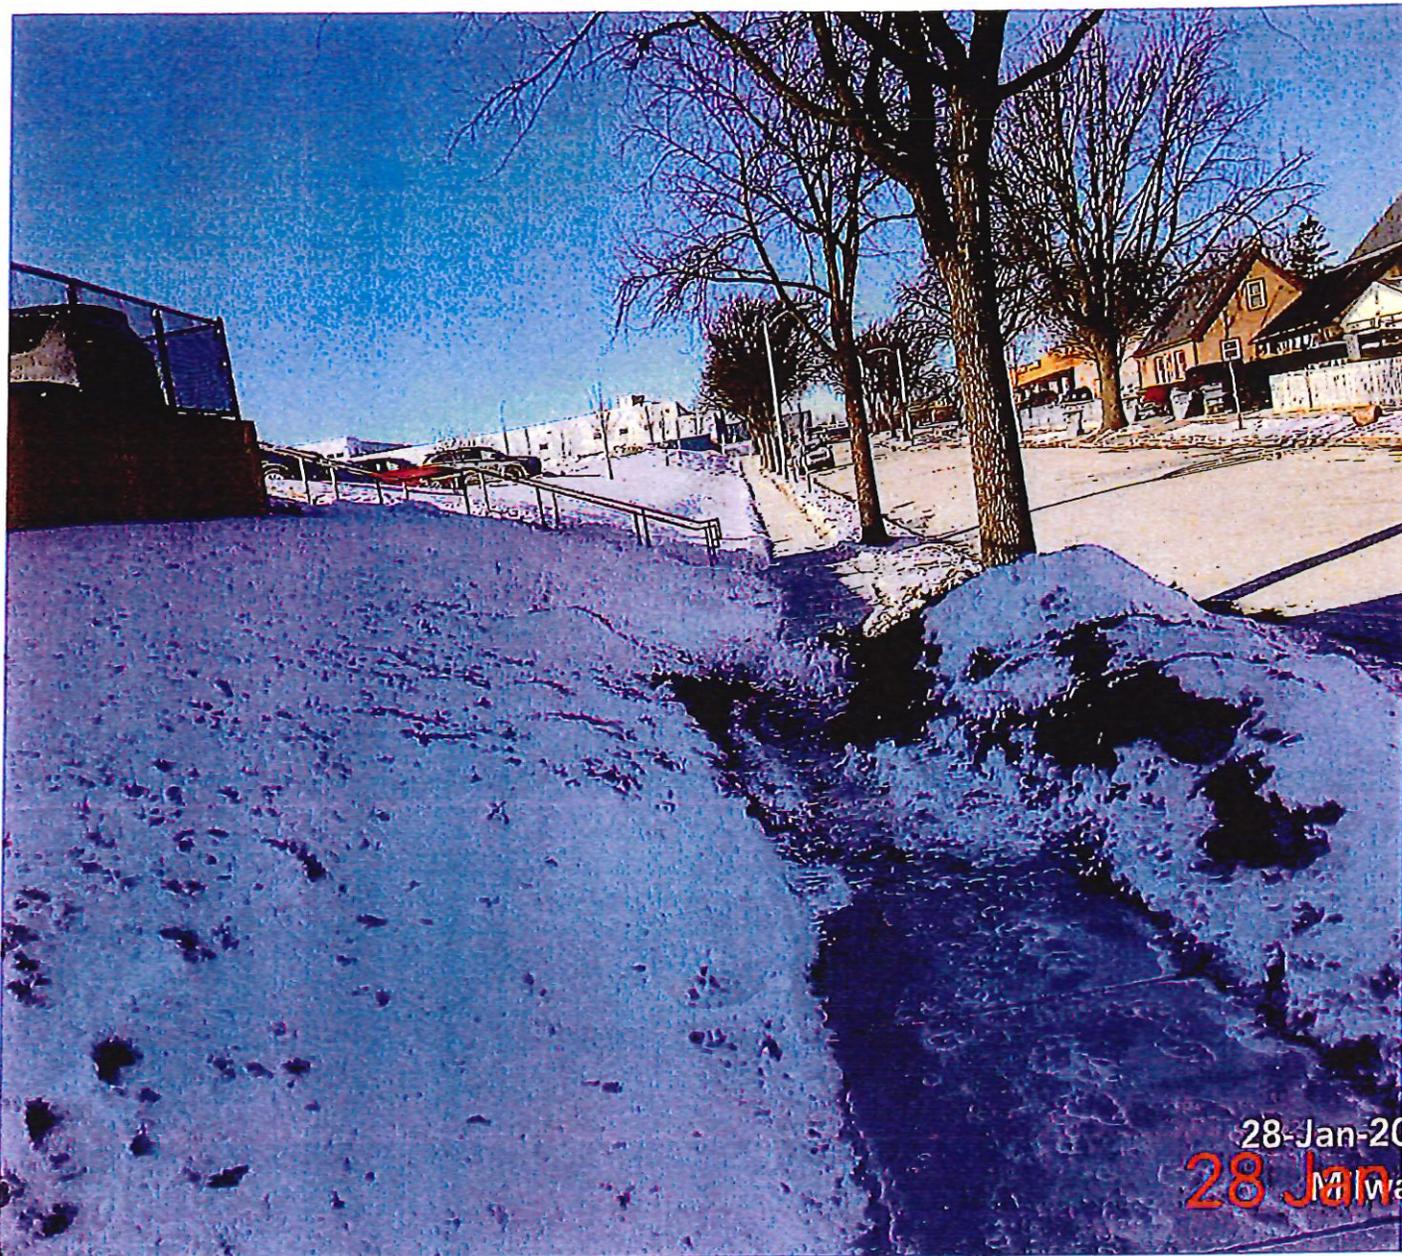

A notice has been issued to clear ice, snow and a frozen leaf pile blocking the sidewalk along E Dakota Av. I have also placed a request with sanitation to assist with removal of the remaining leaf pile that has been pushed on the tree border by plows.

Respectfully,

Thank you for letting us know.

Licenses, please put this in as a license objection to Target's renewal on Chase so residents may address the impact of this ongoing hazard with the corporation and committee.

Jumaane and Jason, please have staff enter an erosion control and sidewalk clearing order again. This is a walk to school route and ice and other debris allowed to accumulate like this forces neighborhood children to walk in the street to get to the Parkside School of the Arts.

Thank you,

Terri Williams

There is, yet again, a large buildup of ice behind the Chase Ave Target. They have done a better job than usual of clearing the sidewalk, but it is still an unacceptable amount of ice for kids and families going to and from school.
