The Honorable,  
Members of the Community and Economic Development Committee

Honorable Members,

I write regarding Common Council File Number 251933, a simple but needed modification of the ordinance governing the Emerging Youth Achievement Advisory Council.

Ex officio members, of plural bodies typically do not require Common Council confirmation. This ordinance removes the confirmation requirement created by the initial enabling legislation for the Council. This brings it in line with most other plural bodies.

Thank you for your consideration.
