Good afternoon Gentlemen and Mr. Mayor
please see the attached letter written by Mr. Jonathan Koberstein addressed to
Jag Urban of Le Cabaret Inc., Dated March 4, 2014
Under the current circumstances this should be an easy vote Already outlined in the letter
Get rid of the urban's and the strip club Its a den for drug distribution, whores sold by the hour and tainted
liquor meaning brand x vodka being pouted into grey goose bottles. Regardless of the mentioned items that
kid was about beaten to death and the big manager ryan watched as he claimed he saw nothing watch the video
he's standing there right in the middle Father and son The Village Idiots and how about the IT guy up-nort and
cant be found
So this shouldn't be to difficult for you boys close down and make a start of cleaning up the shit in this city.
And whitcomb is saying he has it all under control it will never get closed if thats the case he must have some
of you boys in his pocket

lookin forward to june 14th

Re: Notice of Granting of License with Warning Letter

Dear Mr. Urban:

On March 4, 2014 the Common Council adopted the recommendation of the License Committee on February 17, 2014 to grant your license with a warning letter, based on the arrest and conviction record summarized in the attached report from the Milwaukee Police Department.

In lieu of any other adverse action relating to your license application, this warning letter has been issued with the expectation of the Common Council that the appropriate actions will be taken by you in order to ensure that matters contained in your police report do not reoccur.

In addition, please be advised that your license may be not renewed, suspended, or revoked if you are charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the licensed activity.

Sincerely,

Jonathan Koberstein
License Specialist III
