**File No: 150309 Communication from Workforce Health and DER regarding
Wellness program, Healthy Rewards and Workplace Clinic**

Dear Alderman Kovac and Finance Committee Members:

The City of Milwaukee through a partnership with Workforce Health offers a comprehensive wellness program including a three step process, a Workplace clinic and a Healthy Rewards outcome based incentive program to all active employees and their spouses.

Workforce Health and DER want to share with the committee information about the upcoming three step process, including the location for lab work and one-on-one coaching sessions, the reservation system for lab and coaching, and the timing for 2015 activity. Workforce Health just completed the 2015 Healthy Rewards Program and will be able to share results of the \$250 outcome based incentive program, as well as a survey to employees regarding their participation. Workforce Health will also be sharing data regarding the first six months of the Workplace clinic, including aggregate number of visits and reasons for the visits.

Thank you for providing time to share this information with members of the Finance and Personnel Committee.

Sincerely,

Michael Brady,
