Meeting: FINANCE & PERSONNEL COMMITTEE on 2021-10-15 9:00 AM - Special This is also a virtual meeting. Those wishing to view the proceedings are able to do so via the City Channel - Channel 25 on Spectrum Cable - or on the Internet at <http://city.milwaukee.gov/c>

Item: 1. 210894 Substitute resolution relating to the appropriation of the remainder of the first tranche of American Rescue Plan Act funds.

eComment: As a Milwaukee resident, as VP for Organization for the League of Women Voters of MKE County, and as their rep to COLE, I am writing on behalf of the LWV of MC to ask you to support ARP funds that will protect Milwaukee's children from lead hazards. These are: #10 (and part of #3) - the \$26 million request for the MHD to aggressively respond to childhood lead poisoning at the level of 10 mcg/dl with home assessment and abatement; and #22- the \$3 million request to create a lead abatement workforce drawn from communities most affected by lead and COVID. For #10 (and part of #3), \$21 million will go to contracted abatement and relocation efforts, including to the SDC and Revitalize Milwaukee who have a record of completing such work. Tyler Weber of the MHD has committed to monthly oversight of work progress by COLE with reports from MHD and the contracting agencies. #22 will educate 850 workers over 24 months in lead abatement, providing good employment in impoverished areas. I

know you are inundated with requests, but hope you will please consider these for the well-being of MKE's children. Thank you.
