

To all of whom it may concern:

As a voter and resident of the city of Milwaukee, I strongly support the continuation of the Trap Neuter Release program for community cats. I also urge you to follow the WI Humane Society's recommendations to improve the program.

I have personally seen this program work and feel that is the most effective and humane way to deal with feral cats in an urban setting.

Once again, please maintain and revise the TNR program for Milwaukee.

Sincerely,
Jane Mohr
