

May 4, 2001

To the Honorable, the Common Council

Subject: Street Lighting Improvements
Boardwalk (including Structure B-40-403)
From West Park Place to STH 145

Dear Council Members:

Reconstruction of the North Interchange of USH 41/45 and STH 100/145 includes the construction of Boardwalk (including Structure B-40-403) from West Park Place to STH 145. In conjunction with that paving project, funding for the installation of street lighting improvements will be provided by Wisconsin Department of Transportation under the State Highway Improvement Program.

We have, therefore, prepared the attached resolution which authorizes and directs the Commissioner of Public Works to execute a contract with the Wisconsin Department of Transportation for the installation and/or modification of street lighting facilities in conjunction with the improvement of Boardwalk (including Structure B-40-403) from West Park Place to STH 145 in the 15th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Mariano A. Schifalacqua, P.E.
Commissioner of Public Works
