LICENSE PREMISE REPORT

Emmons, Jordan 018992

02/28/2023

This report was typed by P.O. Jordan EMMONS, assigned to District One, Day Shift.

On 02/14/2023, at 1:33PM, I conducted a routine license premise check of a surface parking lot located at 404 W. St Paul Av. The location is a surface parking lot operated by ABM, with a valid Parking Lot or Place License issued by the City of Milwaukee (10077-73) issued on 07/28/2022 and expires 07/27/2023. The Business Agent is David TORKILDSON (W/M 10/01/1951).

This surface parking lot is located across W. St Paul Ave from the US Post Office (345 W. St Paul Ave, and the Milwaukee Intermodal Station (433 W. St Paul Av.).

The location is a surface parking lot, with multiple vehicular entrances and exits located on the south perimeter from W. St Paul Av., from the northeast corner of the lot from N. Vel R. Phillips Av., and from the northwest corner of the lot from N. 5th St. Running from the northeast and to the northwest entrance is a City of Milwaukee alleyway. The alley way comes to a T in the middle and runs south along the west perimeter of the surface parking lot, and the east perimeter of a 7-story building. There is no control of vehicular or pedestrian traffic in and out of the parking lot. The perimeter of the parking lot is completely open to the streets that surround it. Three wooden utility poles are located in the middle of the parking lot, with two halogen streetlights affixed to each of them. The style of these lights is similar to the older streetlights installed throughout the streets of Milwaukee. Signage is placed in the parking lot stating the address, and payment options for parking. Also located here is a self-pay kiosk. An empty guard shack is located at the south-east corner of the parking lot. Attached to the guard shack are PTZ style cameras. No staff were observed on scene.

I emailed TORKILDSON to notify him of my License Premise Check of this location. I advised TORKILDSON this area has had issues with vehicle theft, entry to auto, and catalytic converter theft in the past. I made the recommendation to re-assess if existing surveillance cameras are sufficient, and staffing to the lot with a staff member/security guard.

Subject: 404 W St Paul Ave Milwaukee (Parking)

Good Afternoon,

I have tried to reach out several times regarding out business license for the parking lot located at 404 W St Paul Ave

With the 3 break in's that we had last year, we have done the following:

Installed higher LED lights that will light the lot more at evening.

There are 4 cameras installed on the lot, which were able to assist the police with all three break-in's.

We have also increased the foot patrol of ABM staff, along with our patrollers for violation issues.

We are asking that the above steps that have been taken allow us to have our license renewed.

Thank you,
Diane
