SUBJECT: 1ST ALD. DIST. – FILE #020491
INSTALL STOP SIGNS ON
NORTH 21ST STREET AT WEST STARK STREET

Dear Alderman Pratt:

This is in response to your request to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection. Also a sight obstruction on both the northwest and southeast corners of this intersection reduces the available safe approach speed. Therefore, in the interest of public safety, we recommend the installation of Stop signs on North 21st Street at West Stark Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,
