This report is intended for those responsible for and involved in business license review;

This location (1334 N 35th St.) has been observed having an illegal dumping issue. The wall separating JJ Chicken and the Soo Rail Line has been used for dumping. See attached pictures. The responsibility of this dumping, or being complacent to its incursion lies with the owner of the parcel. The Soo Rail Company will likely deny any responsibility to cleaning up the mess. While JJ Chicken may deny responsibility for the act of dumping, it will be much more difficult for them to deny; 1. being aware of the issue, 2. Deciding not to put up effective barriers, 3. Inform any representative arm of the city of the issue at hand. I have also found large containers of used fry oil dumped several blocks away, in the alley behind 1333 N 33rd St (vacant city sanitation building). Also, If you look closely at Picture (1) you will notice a very similar empty fry oil container. Rather suspicious to say the least, and while I do not know if it was JJ Chicken employees that dumped the used oil, I would not stand idly by as the area is used as dumping grounds.

Thanks,

Notice of Public Hearing

ITSINES, Michael N, Agent
Sweet Diner at 239 E Chicago St #103
Class B Tavern and Food Dealer License Applications

Tuesday, June 27, 2017 at 1:30 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 6/27/2017 at 1:30 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
