# Certificate of Appropriateness

Milwaukee Historic Preservation Commission/200 E. Wells Street/Milwaukee, WI 53202/phone 414-286-5712/fax 414-286-3004

|                            |   |                          |
|----------------------------|---|--------------------------|
| <b>Property</b>            | 2617 N. Grant Blvd.   | Grant Boulevard          |
| <b>Description of work</b> | Construct wood fence where indicated on site plan per attached design. Fence will be a combination of board and lattice construction and vertical board construction where indicated. |                          |
| <b>Date issued</b>         | 6/12/2019   | PTS ID 114781 COA: fence |

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

All wood must be smooth and equivalent to #1 grade cedar or better for use in rear and side yards. Sections of fence forward of or in line with the primary building's front setback must be clear grain. Wood fences must be painted or stained with an opaque stain upon completion. Note: when new, bare wood is left exposed to the exterior elements for a period of only a week or two, the life of the paint job subsequently applied to it will be decreased.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Historic Preservation staff as follows: Phone: (414) 286-5712 E-mail: hpc@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, [www.milwaukee.gov/build](http://www.milwaukee.gov/build), or call (414) 286-8210.

Diagram indicating the location and typology of fence

Board and lattice, also called  
a “treillage fence”

Dog Ear Vertical Board

Fence will be board and lattice at the north and south ends (sides) of the property and dog ear vertical board at the west (rear) of the property. Posts may be less decorative than indicated, but must have some degree of cap feature.
