8. Resolution authorizing an amendment to a contract with AECOM Technical Services, Inc.

Scott Stange of Contracts Administration introduced the resolution. The not-to-exceed contract signed in 2022 was for \$937K with ~\$67K remaining. The 4-year contract can be extended one year until April 2027 and this amendment would add \$500K to the contract. The contract has a goal of 18% SBE with AECOM attaining 10%, to date, with newer opportunities working off lists from MMSD, Milwaukee County, and the State of Wisconsin.

Tory Kress of the Environmental Team stated AECOM has been central to work at Century City, McKinley School, and the 30th and North Line Service Training Site.

Commissioner Galvan asked which SBE firms have been utilized to which Dave Henderson of AECOM shared the list of contractors. Commissioner Galvan then asked about the plan going forward. AECOM has the opportunity to increase the percentage through asbestos abatement, stormwater work, and soil excavation at Century City. Finally, Commissioner Galvan offered to assist the firm with identifying other firms, if needed.

Commissioner Smith moved for adoption of the resolution and it carried by a vote of 6 ayes and 0 nays. Adopted resolution is No. 11059.
