Re: Submitted Complaints

Dear Mr. Rosen:

The Wisconsin Educational Approval Program (EAP) received your complaints concerning the Arizona College of Nursing (School). The information you provided was reviewed for the purpose of determining if the School violated any Wisconsin law, and, if so, what action should be taken against the School.

After reviewing the information you provided, EAP determined your complaints failed to allege any violation of Wisconsin law and were not regarding current operations of the Arizona College of Nursing in Wisconsin<sup>1</sup> or involving any Wisconsin students<sup>2</sup>. Therefore, your complaints have been closed.

Thank you for bringing your concerns to our attention.

Sincerely,

<sup>1</sup> On December 5, 2022, the District Court for the Northern District of Texas Dallas Division administratively closed Case No. 3:22-CV-01713, and stayed the pending matter until the parties completed the mandated arbitration.

<sup>2</sup> As you indicated in your complaints, you are not an interested person as it relates to Arizona College of Nursing, such as a current or former student, parent of a current or former student, etc. (and thus it is questionable whether you even have standing pursuant to Wis. Admin. Code § SPS 404.08(2) to file a complaint against the School).
