Ref: 05026

Common Council File 050714 is a resolution approving an intergovernmental cooperation agreement between the City of Milwaukee and Milwaukee County relating to sharing of data center space in the DOA-Information and Technology Management Division (ITMD).

The Common Council, in Resolution 050264, authorized city officials to negotiate the sharing of ITMD data center space with Milwaukee County. This resolution reflects the results of the negotiations, with a draft five year agreement submitted for approval. The agreement does not involve any direct fiscal cost to the city and should result in greater efficiency for both the city and the county.

**RECOMMENDATION: APPROVE THE FILE.**
