**Subject:** \$50,000 for traffic signal

For your info:

As you are aware, Ald. Ashanti Hamilton has requested \$50,000 from the 2004 Contingent Fund for a new traffic light in his district at 35th & Hampton. His file, CCFN 041024 is scheduled as Item #12 on tomorrow's Finance Committee agenda.

Please be advised that a **Substitute 2** has been drafted and submitted to the file which would take the \$50,000 from the **2005** Contingent Fund rather than 2004.

Thank you.
