The Milwaukee Fire Department is seeking authorization to apply for grant funds from the Wisconsin Homeland Security Grant Program, FY 2003 (Part 2) for Regional Emergency Response Teams. With this resolution, the Milwaukee Fire Department seeks to apply for \$499,899 in funds. The Milwaukee Fire Department will use these funds to purchase personal protective equipment, chemical, biological, radiological, and nuclear equipment (CBRNE), search and rescue equipment, and a CBRNE incident response vehicle. The MFD would use the funds to establish heavy rescue response capabilities in the metro Milwaukee area. This equipment will extend first responder capabilities and enhance protection of critical infrastructure. The performance period for this grant award is from date of the award until April 30, 2004
