RE: C.I. File No. 1032-2020-1649
Communication from KENYETTA DOWTHARD

Dear Mr. Dowthard:

We are in receipt of your claim for damages to your 2005 Ford F150 that resulted from being struck by Milwaukee Police Department vehicle on July 9, 2020.

We have conducted and concluded our investigation of this matter. Our investigation of this matter revealed that our officers were on an emergency call, with lights and sirens activated, when they struck your vehicle that was illegally parked approximately 16 inches from the curb.

Our investigation concluded that there is no evidence that the City was negligent in this matter. As such, the City would not be liable for the damages being claimed from the July 9, 2020 incident. Therefore, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a written statement requesting a hearing within 21 days of the postmarked date of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202. Please include a photocopy of this letter's envelope, showing the postmark, and retain the original in the event further proof is needed.

Very truly yours,

TEARMAN SPENCER

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.80 Claims against governmental bodies or officers, agents or employees; notice of injury; limitation of damages and suits. (1) Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employee under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
