I am writing to appeal the decision for the claim in the amount of 2,133.41 in relation to the vehicle damage in which my vehicle sustained on August 17, 2017 at 8203 west Custer Ave.

I am appealing because the tree belongs to Milwaukee County and it is Milwaukee County responsibly to ensure the tree is maintain and does not cause any damage to anyone's property. The fact that the tree was last pruned in January 2013 and it is now September of 2017 with is over five years ago . The tree that is owned by the city of Milwaukee fell and damaged my vehicle which makes the city of Milwaukee negligence.

To whom it may concern,

I am writing this statement on an incident that occurred on Thursday August 17th 2017 at approximately 4:15pm. I was in my home and I heard a very loud noise, I went to look out and I noticed a large branch on top of my daughter's vehicle. I went outside to look and noticed many dents and scratches on the vehicle, there is a very large indentation in the hood as well as many scratches. I am requesting her vehicle gets repaired and all compensated for all repairs that are needed. Because of this damage my daughter is unable to open her hood properly and this is causing many issues. Please contact me directly thank you. Enclosed are 2 estimates for repair and also photos. City workers also came out and took pictures and submitted a report.
