(Nuisance code violation, Record ID# GBGCO-24-04343)

I have attached several documents pertinent to this case and others may be added. The documents include the following.

1. A copy of the solid waste notice left on the door of my home (dated June 7, 2024),
2. A copy of my same day email regarding the notification (dated June 7, 2024).
3. A copy of a mailed letter from the Department of Neighborhood Services to me (dated June 7, 2024)
4. A copy of a letter from the Department of Neighborhood Services to me regarding fees for cost to correct the reported nuisance code violation (dated June 25, 2024).
5. A copy of my appeal filing submitted to the Administrative Review Board of Appeals at City Hall and the accompanying time and date stamped payment receipt (dated July 22, 2024). Please note that photo's were submitted with the appeal documentation.
6. Photographs of my home and surrounding land to illustrate that I have space to maintain any items within the boundaries of the land that I own if need be.

Thank you
