Re: Acceptance Letter

Dear Mr. Leonhardt:

As required per ordinance 75-15-13b each provider designated for service assignment or support status shall, within 7 days of announcement by the board of its proposed service plan, file a written response of its acceptance or objection to the plan.

Therefore, to comply with the ordinance and be assigned our service sector we have no objections to the findings of the Ambulance Service Board meeting of November 15, 2007.

Respectfully,

A handwritten signature in black ink, appearing to read "Lawrence J. Knuth", is written over a faint, circular embossed seal.

Lawrence J. Knuth
Vice President of Operations
