Dear M/M,

Our investigation indicates that the City of Milwaukee is responsible for the incident which occurred on 10/17/2022, at 1759 N. Marshall St. A tree limb fell on our insureds parked vehicle causing damages. A Milwaukee police officer did respond and advised our insured that the tree was spray painted with a large red circle denoting that this tree was known to be dead or dying and needed removed or trimmed of dead limbs. The city did not post any signage, nor did they block off the spots to prevent any possible damages being caused. As we have a legal interest in the recovery of damages paid to our insured, we are making a direct claim against you.

If your financial situation will not allow you to pay the full amount, please contact me at 800-388-4764 to discuss alternative arrangements.
