

November 11, 2008

To the Honorable Common Council
Public Works Committee
City of Milwaukee

Dear Committee Members:

File No. 080614 vacates a portion of North Palmer Street (east side) from East Abert Place south to its terminus, in the 6th Aldermanic District. This vacation has been requested by Heider & Bott Company to allow for the continued location of a fence within the right-of-way along the east side of North Palmer Street and to facilitate site ingress and egress for semi-trailers. The fence has been in its current location for over 40 years.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation, and the department will not incur any additional costs as a result of the vacation of the right-of-way.

Since the proposed vacation is not in conflict with City plans, the City Plan Commission at its regular meeting on November 10, 2008, recommended approval of the file.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
