Dear Ms. Alvarez:

The Historic Preservation Commission at its January 20, 2009 meeting denied your request to remove the original sidelights, transom and wood door and install the replacement door and panels at 135 W. Reservoir Avenue in the Brewers Hill Historic District. The commission requested that either the original sidelights, transom and door be reinstalled, or that new materials and millwork be installed to duplicate them. Preservation staff would gladly assist you with design if you wish.

The Historic Preservation ordinance provides that the Historic Preservation Commission automatically schedules a public hearing on the denied Certificate of Appropriateness at its next monthly meeting. However, you have the opportunity to waive your public hearing before the Historic Preservation Commission and proceed directly with an appeal of the decision to the Common Council. To make this appeal, you need to contact Historic Preservation staff that you wish to go directly to the Common Council. You then need to contact the Council Administration Manager in the Office of the City Clerk at (414) 286-2221 to schedule an appeal before the Common Council's Zoning, Neighborhoods and Development Committee. Contact with the Council Administration Manager must be made within twenty days of this mailing.

Please call me if you have further questions.

Sincerely
