RE: C.I. File No.: 01-V-112

To Whom It May Concern:

In reference to the City Attorney's letter, a copy of which is enclosed, I would like to file an **appeal** to the decision made on my claim that was submitted for the damage to my car.

There were no specific instructions indicating how I should file an appeal or no information in the letter enclosed stating what the next step in the process will be once I do file an appeal. I took it upon myself to call Alderman Susan Breier's office to find out how I should go about writing an appeal. They mentioned that I only need to send a letter, with a copy of the letter from the City Attorney's office, stating that I wish to appeal and they mentioned that a hearing should then ensue with the Judiciary Legislative Committee. Accordingly, I would like a hearing to be scheduled with the Judiciary Legislative Committee so that they can hear my case and review my claim. I will send this letter through certified mail so that I know you have received this appeal.

If this letter does not comply with your rules about filing an appeal please instruct us as to how to file a proper appeal as soon as possible.

Please contact me at your earliest convenience to notify me about possible hearing dates. I can be reached at home at 262-375-8554, at work at 414-272-6071, ext. 255 or at the above address. If you cannot reach me, please contact my husband, Randy Miller, at 414-760-7512.

Thank you for your attention to this matter.

To whom it may concern:

This is the third letter that I have written to your office in regard to a claim that was sent on December 30, 2000. I am now sending this by certified mail and would appreciate a phone call to explain what the status of my claim is. I do not understand what else I can do to have this claim settled, or why there has not been any response to my two other letters in regard to this claim. I am enclosing an additional copy of the two previous letters and copies of both estimates of the vehicle along with this letter. I can be reached by telephone at work (414)272-6071 ext. 255, or at home at (262)375-8554. If you are not able to reach me please contact my husband Randall Miller at work (414)760-7512, or contact him at home.

Any assistance that you can give me in this matter would be greatly appreciated.

Sincerely,

To whom it may concern;

I am writing this letter to submit a claim against the City of Milwaukee. On December 19, 2000 an unknown City Plow hit my vehicle in the vicinity of 2251 S. Mound Street. I called that evening after noticing the damage and had an investigator come out to the scene of the accident to investigate the situation. I was told that the investigator came to the scene and took pictures of my car. After the investigator reviewed the damage, my husband was told that a plow did not hit the vehicle. Due to the nature of the damage I disagreed with them and asked the Milwaukee Police Department District #2 to come out and investigate the accident. I was told by the Officer that the car was "obviously hit by a City Plow" and he would "call the plow office to come out a re-look at the vehicle." On the 20<sup>th</sup> of December, 2000 a supervisor came out to the scene and declared that the car was in deed hit by a city plow and he called me to tell me how to file a claim.

I am requesting **\$2,059.53** worth of damages paid to me. I have enclosed two itemized estimates from two different automobile repair and body shops along with this letter to substantiate the amount that I am seeking.

If you have any questions, you may contact me at work (414) 272-6071 Ext 255, or home (262)375-8554. If you can not get a hold of me please contact my husband Randall L. Miller at work (414) 760-7512. Thank you very much for your time and assistance with this matter.

Sincerely Yours,

Stacey A. Miller
