Hi

I have added this to the objection thread. This application is being scheduled for Licenses Committee on 7/1 @ 9:40AM—if you are able to attend, we highly recommend it. You can also reach out to the Alder of the district, Ald. Alex Brower, to inquire about potential food truck zone changes. Any changes made to the areas that are considered zones/banned streets/etc, have to come from the Alders. I also recommend calling the MPD non-emergency line at 414-933-4444 if the music is too loud. They can cite any individuals who are not following noise ordinance.

Hi,

That food truck is outside right now playing loud music it's very noisy I cannot sleep this is ridiculous that it's allowed to be down here by apartment buildings when it should be on water by the bars where people don't live. People need sleep and have to work. It's only always this same food truck.

Thanks

Got it, this is super helpful. Based on your description of being on Water St by the market and bank, this is District 3, so we'll convene with Ald. Brower regarding this.

I'm reaching out because Tacos Almita, the food truck you submitted an objection about below, is up for renewal. The lines for each aldermanic district were redrawn recently, and the area of The North End/Fresh Thyme unfortunately is a border line where 3 different districts meet, so the side of the street the truck parks on does actually change what aldermanic district would be involved in this. We're trying to determine where exactly the truck parks so that we can inform the appropriate alder that there is a complaint on file and that it will be scheduled for Committee (as that Alder has to appear for the hearing).

<image003.png>

Are you able to provide more context as to where the truck is located? IE, is it by Fresh Thyme on Pleasant St, the same side of the street as the

grocery store or the side closer to Birch? Is it on Water St on the same side as the grocery store or on the opposite side by the bank? Or maybe Alderaan?

Once I have that info and can pinpoint exactly what district it is, we'll follow up with the alder and you can expect to receive an email in the following weeks with the hearing date and time that you can discuss your objection with the Licenses Committee.

Please add objection—app is being scheduled for Committee so add to LIRA and then keep paper copies to side and we can grab app once it comes back down here. She already has the objection itself on file, but this is an updated thread showing it is still a problem and providing more context as to where it is.
