Meeting: FINANCE & PERSONNEL COMMITTEE on 2023-06-14 9:00 AM - The agenda is subject to change to add additional items.

Item: 1. 221233 An ordinance adopting the Climate and Equity Plan and amending the Citywide Policy Plan as part of Milwaukee's Overall Comprehensive Plan, and directing its implementation.

eComment: As a resident of the City of Milwaukee, I support adopting the proposed Climate and Equity Plan. In order to create a healthy and equitable city, we need to be proactive about our actions to reduce the impacts of climate change. The proposed plan outlines tangible, thoughtful plans for reducing our carbon emissions and improving racial and economic equity, as it pertains to the climate crisis. I ask the committee to please also support and adopt this plan.
