

CHRIS WRIGHT
NAMED
FALK VICE-PRESIDENT OF OPERATIONS

Chris Wright recently joined the Falk Executive Management team as Vice-President of Operations. Chris has responsibility for the Canal Street and Capitol Drive locations, as well as Auburn and Falk Australia manufacturing operations. This new position includes accountability for manufacturing, planning, procurement, safety, facilities, security and the Mill Products group.

Most recently, Chris was the Director Materials and Logistics for Pratt & Whitney Canada. Prior to that he held several positions in the Pratt & Whitney organization over the last 20 years, including manufacturing Strategy Manager, Director Manufacturing Engineering Development, and General Manager for Halifax Operations. While Chris was in the General Manager position, the Halifax operation achieved several significant accomplishments and honors, including Environmental Innovation and Continuous Improvement Awards, utilizing significant employee involvement, ACE, and Value Stream Mapping.

Chris earned a bachelor's degree in Metallurgical Engineering from Queen's University in Ontario and an MBA from the University of British Columbia.
