To the Public Works Committee

Subject: Common Council Resolution File Numbers 071561 & 071614

Dear Honorable Members:

Returned herewith are Common Council Resolution Files 071561 and 071614, being amendments to special privileges for change of ownership of various items encroaching in the public right-of-way that were previously granted permission.

Common Council Resolution File Number 071561 changes the owner to Milwaukee Science Education Consortium, Inc. to keep and maintain private lighting and appurtenant facilities in the public right-of-way for the premises at 2100 West Kilbourn Avenue. Permission for said private light fixtures and appurtenant facilities was granted in 1984 under Common Council File Number 84-1047.

Common Council Resolution File Number 071614 changes the owner to Mostreet, LLC to keep and maintain a barrier free access ramp, step, exhaust fan duct and moveable planters in the public right-of-way for the premises at 152 West Wisconsin Avenue. Permission for said items was granted in 2005 under Common Council File Number 030578.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

Martin G. Collins, Commissioner
Department of Neighborhood Services
