ITEM 13, FILE 081522

March 20, 2009

MARY E TURK

File 081522 is an ordinance relating to building inspection fees for each additional landing of an elevator.

Background and Discussion

1. This ordinance changes the fee for the inspection of an additional landing of an elevator above 10 landings from \$115 to \$5.
2. The base fee for an elevator inspection has been increased periodically over the years but the fee for additional floors above 10 landings has not changed from \$5 per landing.
3. This ordinance is essentially a revisers bill. The amount per additional landing was inadvertently changed when the base elevator fee was most recently increased in the 2009 budget.

Fiscal Impact

There is no fiscal impact. The amended fee is a text correction.
