To Whom it May Concern:

My name is Benjamin Force and this letter is to file a monetary claim against the city of Milwaukee in regards to the water main break on Hawley Rd. on December 28th, 2019. I live at the Hawley Terrace apartments at:

433 S. Hawley Rd.
Apt. 50
Milwaukee, WI. 53214

RECEIVED
OFFICE OF CITY ATTORNEY

JAN 22 2020

12:15 A.M./P.M.

My car (2015 Toyota Prius C) was in my apartment's parking lot when the water main break occurred, which resulted in my car becoming flooded and caused the car to become a total loss. I am requesting \$12,299.39 from the city as a result of this event. This number comes from 2 figures.

- 1: \$12,045 – This is the total value of my car as determined by my insurance company
- 2: 254.39 – This was my bill for the rental car I was forced to get until I was able to get another car.

I have attached documents reflecting these figures. If you have any questions feel free to reach me at the address above, by telephone at 708-207-1103, or at my email address, forceb123@gmail.com. Thank you for your consideration.

Market Overview

What is my Vehicle Market Value based on?

53214-1913, Milwaukee Wisconsin--Research for your vehicle was based on market analysis originating from your zip/postal code.

In addition to the vehicle inventories received directly from dealerships, Autosource finds comparable vehicle information for vehicles in the same places most buyers look for them--local and national internet websites, vehicle guides, publications and partnerships representing more than 10,000 independent vehicle sources.

How did Autosource make adjustments for my vehicle?

- The odometer adjustment is based on 3.50 cents per mile specific to the 2015 Toyota Prius c Four Electric 4D Hatchback in the state of Wisconsin. Odometer adjustments are capped at 40% of the vehicle's starting value.

o Equipment

- Adjustments are made to account for the differences in equipment between the loss vehicle and comparable(s).
- Equipment adjustments are based on the manufacturer's retail price, adjusted for depreciation

o Condition

- Typical condition is based on hundreds of inspected vehicles
- Condition adjustments are based on a percentage of the vehicle's value
