I observed the licenses, which were posted clearly behind the bar, near the cash register.

I observed the Class B Tavern License (#0210604) which was valid, along with the Public Entertainment License (#0008485). The listed hours for the location are Sunday 12PM- 2AM, Monday through Thursday 6PM- 2AM, Friday 5PM- 2:30AM and Saturday 12PM- 2:30AM. The listed agent is Jessica P STEWART (9/6/63). She was on scene and cooperative with officers through the entirety of our Tavern check.

Everything appeared clean and there were no issues seen behind the bar area.

I observed individual 1/2 pint bottles for sale along with regular liquor and beer sales.

The location has a capacity of 49 people, and they were not near capacity when officers arrived on scene for our check. Employees stated they were closing an hour early and I observed employees clearing patrons out of the bar and moving chairs in an effort to prepare for mopping.

Prior to officers leaving, we spoke with STEWART about the bar's biggest issues. STEWART stated they have had ongoing issues with people loitering outside of the bar. She stated she tries to keep people away from the entrance however the bar is next-door to a multi-unit apartment building. She stated the residents from the apartment building constantly hangout on the sidewalk in front of and around the bar. That was her biggest concern as she does not want to appear as if any commotion outside of the business is involving the people at the business.

The check was good overall.

We then left the location.

On Saturday December 16, 2023, at 12:38am, my partner PO Sophia ALAMO and I were dispatched to 1422 W. Atkinson Ave for a Subject with Gun complaint.

Upon our arrival, I observed multiple people (about 15 people) standing outside of the business and no one seemed to fear for their safety. When asked if they saw anyone with a gun, everyone said no. There were no subjects with guns observed.

I spoke to licensed premise manager identified as Earnest L. MORGAN (B/M, 06/21/1979). They stated they did not observe anyone with a firearm and no one in the establishment warned them about a gun in the building. The business was cooperative the investigation. The business had 0 security officers on scene. No video footage was reviewed.

While on scene, I observed the licenses posted and they were up to date. During my investigation for Subject with Gun I did not observe any violations in the licensed premise.

On Wednesday February 7, 2024, my partner PO Kimberly KANEKEO and I conducted a Tavern check at 1422 W. Atkinson Av. located in the City and County of Milwaukee.

Upon our arrival, I observed people standing outside of the business having conversations.

I spoke to licensed premise owner Gloria RAGSDALE (B/F, 09/06/1963) who stated she have not been having any problems with anyone and her business is doing good. RAGSDALE notified officers of a fight she had outside of her business days prior. RAGSDALE stated nothing further came from the fight and everyone left safely. While speaking to RAGSDALE, she stated most of her customers are regulars and she have a "good handle" on them. The only problem RAGSDALE expressed was people parking on the empty lot next to her business. The business was cooperative with the investigation. The business had 0 security officers on scene.

While on scene, I observed the licenses posted and they were up to date. During my tavern check, I did not observe any violations in the licensed premise. End of report.

This report is written by *PO Ray PEARSON*, assigned to *DISTRICT 5 Late Power Shift, Squad 5490*.

On Wednesday June 19th, 2024, PO Chad WILSON and I was dispatched to Stewarts Rest Spot for a Noise Complaint, located on 1422 W Atkinson, which is located in the city and county of Milwaukee. activate body worn cameras were used during this investigation.

Upon *our arrival*, we observed the establishment to have an open door with loud music playing from within the bar. The volume of he music could be heard very clearly from across the street and around the corner of the establishment. We also observed street food vendors selling food in front of the location and at and both ends of the block. The food vendor in front escorted us inside to meet the Manager, Gloria R RAGSDALE (B/F 9-6-63)

PO WILSON and I advised RAGSDALE that after 10PM, she needs to have the front door of her establishment closed to keep the noise from leaking into the neighborhood. We then walked outside establishment to advise her that she needs to have the volume of speakers turned down due to the audible noise from within the location. RAGSDALE was cooperative with our requests and allowed us to talk to the DJ, who turned the speaker volume down. once the door was closed, and the speakers were turned down, the noise coming from the building was reasonable in accordance to city ordinance.

We did not speak to the caller due to our initial observations upon-entering the area. We did follow up about an hour later to see if any changes. we were pleased to see that the establishment was still complying with our earlier requests.

RAGSDALE voiced her concerns about being blamed for the noise of the local residents. She stated she has no control over the people who live close by and congregate in front of her establishment. I advised her to think about hiring a form of security to move the crowd or purchasing a queue rope that so Law Enforcement can identify whos a patron and whos not.

While on scene, I observed the licenses posted and they were up to date. During my investigation for the noise complaint, we informed RAGSDAE that she would not be cited for todays interaction, but warned her that if this continues, further actions will be taken. We also notified RAGSDALE that we had to file the report, but will add how cooperative her and her staff were in todays interaction.

LICENSED PREMISE REPORT

Pettersen, Kimberly L 029816

06/23/2024

This report was written by Police Officer Kimberly L PETTERSEN, assigned to District 5, Late Power Shift (Squad 5468).

On Sunday, June 23rd, 2024, at approximately 2:05 AM, my partner PO Delia CARRILLO and I, responded to 1422 W. Atkinson Avenue., located in the City and County of Milwaukee (WI), for a ShotSpotter Activation, that was shortly upgraded to a Shooting, resulting as a Homicide.

Upon our arrival, I observed multiple subjects outside of 1422 W. Atkinson Avenue., standing in front of Stewarts Rest Stop, which is a bar. I observed a male subject, who was the victim in this shooting, laying on the ground with police officers surrounding him. I noticed multiple spent casings as well, starting at the beginning of the bar entrance, and leading to the west of the location.

I entered Stewarts Rest Stop and spoke with two employees, who identified themselves as the Bar Managers. I spoke with Gloria R RAGSDALE (B/F 09-06-63) and Earnest L MORGAN (B/M 06-21-79).

I asked MORGAN and RAGSDALE if Stewarts Rest Stop is equipped with surveillance cameras on the interior and exterior of the bar. RAGSDALE informed me that there is a surveillance camera located on the exterior of the establishment right above the bar.

I asked RAGSDALE if I could view the video footage and RAGSDALE contacted Donnell MCCARTY (B/M 11-16-67), who has access to the surveillance cameras. I was later met by MCCARTY, and I escorted MCCARTY into the bar.

I spoke with MORGAN and asked if he heard or saw anything regarding the shooting. MORGAN stated that he was escorting a group of female subjects to their vehicle, when he heard approximately 4 gunshots. MORGAN stated that he observed multiple subjects scatter from in front of the bar on foot and in vehicles. MORGAN stated that when the last gunshot was fired, police arrived on scene. MORGAN stated that he did not hear or observe any altercation or commotion outside of the bar prior to the gunshots. MORGAN stated after the gunshots, he observed the victim fall to the ground. I asked MORGAN if he knew if the victim was conscious after he had fallen to the ground, and MORGAN stated that he was unsure. I asked MORGAN if the victim was inside of the bar prior to the shooting and MORGAN stated that he was unsure.

PO CARRILLO spoke with RAGSDALE, who stated the following:

RAGSDALE stated that she began to shut the bar down at approximately 1:45 AM and began to clean the bar. RAGSDALE stated that she heard approximately 4 gunshots.

There was nothing further provided by RAGSDALE.

I asked MORGAN if the bar had security and MORGAN stated that the bar does not have

security. I asked the time of operation for the bar, and I was informed of the hours of operation:

- Monday: 6:00 PM-2:00 AM
- Tuesday: 6:00 PM-2:00 AM
- Wednesday: 6:00 PM-2:00 AM
- Thursday: 6:00 PM-2:00 AM
- Friday: 6:00 PM-2:00 AM
- Saturday: 6:00 PM-2:00 AM
- Sunday: 6:00 PM-2:00 AM

I did observe the hours of operation posted as well, with a few minor changes from the above hours I was informed of:

- Friday: 5:00 PM-2:30 AM
- Saturday: 12:00 PM-2:30 AM

It is also posted that this bar only accepts individuals who are 25 and older, which is also posted on the outside of the bar.

RAGSDALE informed me that she closes the bar early, at approximately 1:45 AM, so that everyone is out by 2:00 AM. RAGSDALE stated that she works every night that the bar is open, and normally arrives for her shift at approximately 8:00 PM. RAGSDALE informed me that MORGAN works at the bar on Thursdays, Saturdays, Sundays, and Mondays.

When MCCARTY arrived on scene, he pulled up video footage from the exterior surveillance camera as well as one of the interior surveillance cameras. I was advised that the bar has 3 surveillance cameras inside of the bar. I first viewed the video footage from the exterior surveillance camera, which unfortunately did not capture the shooting. Prior to the shooting, the video footage shows multiple subjects outside of the bar. The video footage jumps around and when I tried to view the video footage of when the ShotSpotter activation comes over, it states that there was no video footage. The video footage afterwards shows when the police first arrived on scene. MCCARTY stated that he was unsure which interior surveillance camera footage I wanted to view, and I told MCCARTY to pull up video footage from the surveillance camera that captures most of the inside of the bar, which also points outside of the main entrance. The video footage showed multiple subjects outside of the bar. The timing on the surveillance cameras is not accurate, but the time stamps are:

- 1459 hours - Shows multiple subjects scatter and the main entrance to the bar immediately closes.
- 1501 hours - The main entrance to the bar opens up and the victim is observed laying on the ground.

MCCARTY asked me if the victim was wearing white and red clothing, and I stated yes. MCCARTY did state that the victim was inside of the bar earlier in the evening and was informed that he had to leave because he had brought his own liquor into the bar. MCCARTY stated that the male subject apologized and stated that it was a onetime occurrence and if he could come back inside of the bar. MCCARTY stated that the male subject was informed he could not come inside of the bar anymore. It is not 100% sure if this was the actual victim, or someone that was

wearing the same color clothing.

I did ask MCCARTY if he was the only one who had access to the surveillance cameras and MCCARTY stated that he was the only one who knew how to operate the surveillance cameras.

While on scene, I did observe the following licenses posted:

- Donnell MCCARTY - Class D Operations License - Effective date of 01-01-23 with the expiration date of 12-31-24
- Gloria RAGSDALE - Class B Manager's License - Effective date of 07-01-23 with the expiration date of 06-30-24
- Dedra MC CASKILL - Class D Operations License - Effective date of 12-31-22 with the expiration date of 12-31-23
- Earnest MORGAN - Class D Operator's License - Effective date of 01-01-23 with the expiration date of 12-31-24
- Jessica P STEWART - Class B Tavern License - Effective date of 10-12-23 with the expiration date of 10-11-24
- Nicole JOHNSON - Class D Operator's License - Effective date of 03-22-22 with the expiration date of 12-31-23
- Darius WALKER - Class D Operator's License - Effective date of 06-12-24 with the expiration date of 12-31-25

At this time, there was no police action taken. While speaking with all parties listed in this report under the "License Persons Involved" tab, everyone was very cooperative with the investigation and did not cause any issues once so ever.

I provided RAGSDALE with a PV-17 form (Victims Rights) and a Community Contact Card. I advised RAGSDALE that there would be a report filed regarding the license premises portion. I advised RAGSDALE that STEWART could contact me regarding any questions regarding this report.

This location does have nuisance related issues, but only on the outside of the bar. There have been prior ShotSpotter activations near this bar, as well as other complaints placed by citizens. In the past, police have advised citizens standing outside of the bar, of calls placed for service. Also, there have been multiple parking citations issued for vehicles that are in violation of parking.

As I was leaving from the scene, I briefly spoke to Detectives that investigated this homicide. I asked the Detectives if they were able to obtain any video footage regarding the incident, and the Detectives stated yes.

LICENSED PREMISE REPORT

Roby, Stephon R 029458

06/23/2024

This report was written by P.O. Stephon ROBY assigned to District Seven Late Power Shift.

On Sunday, June 23rd, 2024, at approximately 8:50pm, P.O. Taylor MOTIFF and I went to Jessica's Rest Stop located at 1422 W. Atkinson Av. to conduct follow up for a Recklessly Endangering Safety incident that occurred in the 3500 block of W. Atkinson Av. According to the victims in the original incident, prior to being shot at, they were at Jessica's Rest Spot.

Upon arrival, I spoke to Donnell MCCARTY B/M 11-16-67, who indicated that he was in the manager of the location. MCCARTY indicated that the camera only goes back as far as June 17th, 2024, and he did not witness anything out of the ordinary at the tavern. Upon asking if he remembered seeing an older model White Chevrolet Tahoe or Suburban, he indicated that so many vehicles come and go from the location, but he did not remember seeing that vehicle.

Tuesday, November 12, 2024 at 1:30 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 11/12/2024 at 1:30 PM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony via internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.

 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
