Hello

This email is regarding property 2452 [N Grant Blvd, Milwaukee, WI 53210](#). The year of 2020 I purchased this home with new existing window upgrades. Now to my knowledge these windows are against the neighborhood services associations rules & standards. I was told to list the locations of all new windows that were pre-existing prior to purchase of my home. And if new windows need to be replaced they have to be changed back to original window treatment that is in line with guidelines. Listed below is the location of all renovated windows.

First Floor

Kitchen -2 windows facing
Bathroom -1 window
bedroom1 - 3 windows
bedroom 2- 2 windows

Second Floor

bedroom 3-2 windows
bedroom 4- 2 windows
bedroom 5- 2 windows

Basement

7 block windows

Please feel free to contact me if you have any questions or concerns or need any more information.
