SUBJECT: 5TH ALD. DIST. - FILE #220158
INSTALL YIELD SIGN ON SOUTHWEST BY-PASS ON
WEST CAPITOL DRIVE AT NORTH 100TH STREET

Dear Alderswoman Dodd:

This is in response to your request on behalf of a local resident to replace the current stop control on the southwest right turn by-pass of West Capitol Drive at North 100th St with a yield control.

Our traffic engineering staff has investigated this request and has found that motorists can safely conduct this turn with the requested yield control and therefore recommend its installation. We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

City Engineer
