Re: File No. 011588  
5050 North 107th Street

Dear Alderman D'Amato:

We object to the property being returned at this time.

In June 2001 we litigated an order relating to an illegally constructed porch which encroaches on the front setback. The owner was fined \$450. A new order was issued and the owner still has not complied. We have charged \$275 in reinspection fees as a result of the owner's failure to comply with the order.

If the committee chooses to return the property, we ask that the return be contingent upon the owner submitting a plan and timetable for correcting the problem.

Sincerely,

Schuyler F. Seager  
Deputy Commissioner
