RE: City of Milwaukee TID # 56, Allocation Amendment to TID Nos. 35 & 69

Dear Mr. Leonhardt:

The Department of Revenue recently received information associated with amending the project plan for the above Tax Incremental District.

Our review indicates that all procedures were properly taken and notices timely given. It does not appear that the amendment includes costs that will be incurred after the date specified in s.66.1105 (6)(am)1., therefore it will not be necessary to redetermine the district's base value.

The facts supporting the amendment or actions taken to comply with paragraph (4)(h) have not been reviewed by the department.

Sincerely,

Susan Plakus
