Hello -

I am emailing in support of file No. 220401 related to the apartment proposal & re-zoning on North Hackett Avenue. I believe in the growth of the city and share the mayor's vision for 1 million Milwaukeeans. I find it frankly frustrating that we're even having this debate.

This development is proposed for a vacant lot & surface parking, in a neighborhood that has convenient walking access to fresh food, a library & bookstore, a hospital, comprehensive health care options, K4-12 education, an R1 university, marquee lakefront parks, and the list goes on & on. Of course more people should live here.

2604-2644 N. Hackett Ave
