INSTALLATION NO STOPPING TOW AWAY ZONE  
3:30 PM TO 5:30 PM MONDAY THROUGH FRIDAY  
ON THE WEST SIDE OF SOUTH 27<sup>TH</sup> STREET FROM  
WEST OKLAHOMA AVENUE TO WEST OHIO AVENUE

Dear Alderman Donovan:

Currently there are signs prohibiting parking from 3:30 PM to 5:30 PM Monday through Friday on the west side of South 27<sup>th</sup> Street from West Oklahoma Avenue to West Ohio Avenue and there is a changeable message sign allowing southbound drivers to proceed straight in the southbound curb lane on South 27<sup>th</sup> Street at West Oklahoma Avenue. However, violations of the existing parking restriction are causing little or no use of the curb lane and are leading to excessive traffic backups southbound on South 27<sup>th</sup> Street at West Oklahoma Avenue during the afternoon rush hour. These backups are leading to rear-end and sideswipe crashes on South 27<sup>th</sup> Street and since the backups extend through the intersection of South 27<sup>th</sup> Street and West Kinnickinnic River Parkway, there is a large number of northbound left turn crashes at that intersection.

Therefore, to ensure compliance, improve safety, and reduce congestion by allowing vehicles to travel southbound in the curb lane on South 27<sup>th</sup> Street from West Oklahoma Avenue to West Ohio Avenue during the afternoon rush hour, we recommend the installation of no stopping tow away zone signs from 3:30 PM to 5:30 PM on the west side of South 27<sup>th</sup> Street from West Oklahoma Avenue to West Ohio Avenue.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting, so you may support it to final passage.

Dear Alderman Donovan:

This is in response to your request on behalf of Mr. Dudenhoefer to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that the installation of this parking restriction will provide turnover parking on this block. Since Mr. Dudenhoefer is the only property owner affected by this restriction, we have no objection to installing the parking restriction.

We will prepare the necessary legislation for the next Public Safety Committee meeting so that you may support it to final passage.
