Dear Mr. Zalben:

Based on a recent study conducted by the Office of the Comptroller to determine the appropriate costs of reproducing electronic poll lists, I am respectfully requesting that your office prepare a resolution to reflect the following:

All requests for copies of Reports of Registered Voters will be charged a flat rate of \$10.96 to cover the cost of labor for one (1) to 314 wards. The rate does not vary based on the number of wards requested.

Requestors will be charged as follows depending upon the type of media preferred:

Diskettes	\$.62 per disk
Compact Disk	\$.70 per disk
Hard Copy	\$.10 per page

Thank you for your assistance in this matter. If you have any questions, please do not hesitate to contact me at ext.6119.

Sincerely,

  
Susan M. Edman  
Executive Director
