Dear Honorable Members of the Common Council:

Attached please find a resolution for introduction relating to the application, acceptance and funding of a Wisconsin Department of Agriculture, Trade & Consumer Protection Clean Sweep grant. This grant will be used for the annual Environmental Services household mailer on waste reduction services that includes information on household hazardous waste (HHW) and HHW collection at the City's Lincoln Avenue Self-Help Center location at 3879 W. Lincoln Avenue. Household hazardous waste collection is operated and paid for by the Milwaukee Metropolitan Sewerage District. This grant off-sets costs for services provided by the City and MMSD.

Please direct questions to Kimberly Kujoth, Environmental Policy Analyst at x5453. Thank you for your consideration.

Sincerely,

PRESTON D. COLE
Environmental Services Superintendent
