MAYORAL VISIT TO MILWAUKEE

I extend compliments to you from the Mayor of Tema, Hon. Yohane Amah Ashitey and have the pleasure to inform you that the Mayor has firmed up his plans to embark on an official tour of Tema's Sister – Cities in the United States of America (USA) from March 7th – 26th 2024.

The Tema Delegation led by the Mayor will arrive in Milwaukee, Wisconsin on the 21st March, departing on the 26th, 2024.

His tour of your City will afford him the opportunity to further strengthen the bilateral relationship that exists between Ghana and the United States and also explore areas of further collaboration. Paramount on his schedule is the signing of the Sister Cities Partnership with the beautiful City of Milwaukee.

The undersigned (Frank Asante - +233-241- 781179) shall be available to help co-ordinate all arrangements related to the Mayor's visit.

Tema Metropolitan Assembly appreciates your continuous patience and unwavering support.

Thank you in anticipation.
