

April 27, 2007

To The Honorable, the Common Council

Subject: 2007 Capital Improvements Program
West Villard Avenue from
North Teutonia Avenue to North Green Bay Avenue

Dear Honorable Members:

The 2007 Capital Improvement Program includes the improvement of West Villard Avenue from North Teutonia Avenue to North Green Bay Avenue under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

The total estimated cost of the project is \$15,785.18. Eighty percent of the total cost, or \$12,628.14, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, or \$3,157.04, will be provided through the Division's existing Capital Improvement Program.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Villard Avenue from North Green Bay Avenue to North Teutonia Avenue in the 1st Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
