Room 301-G, City Hall

Meeting convened: 2:36 P.M.

Also present: Jeff Osterman - Legislative Reference Bureau

Present 4 - Medhin, Mukamal, Richardson and Roberts

1. **071596** An ordinance relating to regulations for roof signs in the industrial-mixed zoning district.

Sponsors: Ald. Witkowiak

Mr. Osterman reported that this file was created at the request of the Department of City Development, with Ald. Witkowiak as sponsor. He briefly explained the ordinance. Mr. Osterman will make minor changes in the ordinance to add text that relates to "industrial mixed" district, which will result in a proposed substitute. Mr. Richardson would like the text amended to reflect that these are type "A" signs, not type "B" signs. Mr. Osterman will amend the text and analysis to reflect this change as well. A "Whereas" clause will also be added to reflect the purpose of the ordinance.

Mr. Mukamal moved, seconded by Mr. Richardson, for referral to the Zoning, Neighborhoods and Development Committee as amended. There were no objections.

Meeting adjourned: 2:45 P.M.
