To the Honorable
the Common Council

Subject: Resolution granting permission to the Village of Greendale to provide water service to four customers in Hales Corners

Dear Council Members:

The Village of Greendale passed a resolution on April 2, 2002 requesting permission from Milwaukee to provide water service to four properties in the Village of Hales Corners.

Greendale is a wholesale water customer of the Milwaukee Water Works and is prohibited by the water service agreement from selling or distributing water outside its Village boundaries. Milwaukee is not in a position to serve these customers and the Water Works has no objection to Greendale serving these four properties.

The attached resolution grants permission to Greendale to provide water service to four customers in Hales Corners. Your favorable consideration of this resolution is respectfully requested.

Sincerely,

Carrie M. Lewis, Superintendent
Milwaukee Water Works

Mariano A. Schifalacqua, Commissioner
Department of Public Works
