

Department of City Development

Housing Division Rehabilitation Contracts

January 2004 - June 2016

Data described in this analysis represents all Department of City Development (DCD) Housing Division rehabilitation work from January 2004 through June 2016 where DCD assisted in the selection process of contractors. Over 85% of all contractual dollars listed below were funded through programs where property owners selected and hired the contractor. In all cases, DCD actively recruited minority owned and local housing rehabilitation contracting firms.

Overall Data Summary - January 2004-June 2016
