Hey Jim,

I am referring you the complaint that we received for Brunch It Up Milwaukee (see below). We will be following up on the sales during closure portion, but wanted to refer the piece about the business having a new owner, who is the sole proprietor running the restaurant under another individuals license.

Please let us know if you have any questions.

Thanks,
Lauren

I hope this email finds you well. I'm reaching out as a concerned individual regarding potential compliance issues at Brunch It Up. Specifically:

I have information suggesting that sales may have been conducted during a health department closure. It appears the restaurant has been operating under a new owner and LLC, but I'm uncertain whether the licensing reflects these changes accurately.

I wanted to bring this to your attention in case it warrants further review. Could you advise on the appropriate channel for reporting this information or ensuring compliance?

Thank you for your time and guidance.

Best regards,

7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
