RE: 4646 N. 29<sup>th</sup> St, Milwaukee WI  
(Address of property in question)

Pursuant to Chapter 68 of the Wisconsin Statutes and Section 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Department of Neighborhood Services  
(Name of City Department)

Amount of the charges \$ 183.01

Charge relative to: Garbage Pick Up

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

We have had several Garbage Orders and have always completed them including this one. We hired our 3<sup>rd</sup> party garbage removal company who successfully cleaned the property. I personally inspected it before paying the invoice. The pictures your contractor took even show the work complete!!!! Before show lots of trash - After pictures show none!! I spoke to Brenda Raner who recommended that I appeal this.
