Dear Steering and Rules Committee Members:

On behalf of the staff, students, and families of Milwaukee Math and Science Academy, thank you for renewing our charter school contract with the City of Milwaukee. We appreciate your time and effort in working to ensure that our students get a quality education.

We look forward to continuing to provide engaging learning opportunities for our students as they work to close the achievement gap. Not only is our focus on academics but we are constantly looking for new ways to develop our students' character and citizenship, as well.

We hope that you will take time to visit our school to see the many great things that are happening. Our students love having visitors so they can show off their MMSA school spirit.

If you are interested in setting up a visit, please contact our main office at (414) 263-6400.

Again, thank you for your support in renewing our contract. We will continue to work hard to meet the guidelines of our contract, to show growth academically, and to create positive members of our society.

Yours in Education,

A handwritten signature in black ink, appearing to read 'Chief', written in a cursive style.

Mr. David Chief
MMSA Director
