RONALD D. LEONARD
CITY CLERK

I am writing this letter to file a claim hearing. The city of Milwaukee dropped my car off the tow truck April 15th almost 4 months ago. They offer me 174.56 for the damage of my car. I will not accept that because the damage to my car is worth more than that it is \$1500 + more. I sent estimates + pictures + other things showing the damage but they claim my vehicle was already damaged + they have the video tape of it I also would like to see the tape. I have 4/5 witness that seen the young man dropping my car damaging it. I will also bring the witness or see if I can get a statement from them. I don't need \$174.56 for my light because my light is not damaged on my car that all they are talking about. The side of my car is dented + paint chipped + I got my axle bent + a antifreeze leak after all this. Annette Howard

City of Milwaukee

The city of Milwaukee dropped my car off the tow truck + dented the light frame & the side of my car. It is also leaking anti-freeze. The axle broke on my car because of the incident. The receipt is also include in here alone with pictures of the damage car & the anti-freeze leak. I would like my money back that I put into the car already plus the \$95.00 I had to pay for me to get my car out of the pound.

Re: Annetta Winters Howard Claim
Tow Number 1121782
Our File No. 02-S-161

Dear Mr. Black:

Annetta Winters Howard has filed a claim alleging damage to her vehicle following its towing on April 15, 2002. Specifically, Ms. Winter Howard states that after she retrieved her vehicle, she discovered damage to left front blinker light, that the axle was broken and that the vehicle is leaking anti-freeze. Ms. Winters Howard filled out a complaint form at the tow lot. Please review the videotape and the Vehicle Inventory Form to determine when this damage may have occurred. Thank you for your anticipated cooperation with this request.

Very truly yours,

Lisa M. Ames
