

Public Health Accreditation Timeline

January 2015 - April 2016
MHD developed and published 2015-2016 Community Health Assessment (CHA), providing detailed information on health status of Milwaukee residents

July 2016 – July 2017
MHD engages Milwaukee residents in developing and launching a Community Health Improvement Plan (CHIP)

July 2017 – January 2018
MHD reviews and updates its internal strategic plan

February 2015– December 2017
MHD prepares documentation (i.e. over 400 electronic documents organized under 12 focus areas) for accreditation, including:

- Reviewing more than 500 Departmental policies and developing new policies and procedures;
- Workforce Development Plan;
- Quality Improvement Plan;
- Communications Plan; and
- Performance Management Plan

January 2018 – June 2018
MHD uploads documentation that demonstrates Department’s conformity with accreditation standards and measures
