Today 7:16 PM

Im writing in regards to an incident involving my son nathan novak,a customer of the gas station at 200 N 35th st .the lack of security for customer safety. He was assaulted in the restroom by several indiiduals. Police were valled . We didnt know the exstent of the injury , becausey son procastinate seeing yhe specialist. Ears nose throat dr. He he a surgery back in 2017 to correct a deviated septum , that he had from birth. Bottom line is now needs someMAJOR corrective surgery thats considered cosmetic.

Your worker knew what they were doing today than in the bathroom he heard Nathan yelling for help and let it go on for 3 to 4 minutes and yet did nothing or did not call the police

Your worker knew what they were doing today than in the bathroom he heard Nathan yelling for help and let it go on for 3 to 4 minutes and yet did nothing or did not call the police then didn't cooperate with the police about who did it right away and yet we were told that they were no longer allowed in your establishment but my daughter myself have seen them in there several times and also I have a statement notarized from somebody that has witnessed this happening in your gas station prior months that they are been troublemakers at your establishment.

If you would like to speak contact me within the next 24 hours and I am more than reasonable and maybe we could work something out my number is 414-812-4251 this is my second message
